FRONT OF HOUSE REDEFINED

VOLUME THREE

APRONS • SHIRTS • CHEFSWEAR

A SERVING OF STYLE

If you are looking for some inspiration on how to dress your front-of-house teams, you've come to the right place! The Artisan Collection by Reprime brings together some of the most charming styles for establishments who need professional uniforms for their staff.

The basic principles of how to dress for service are beautifully illustrated in this magazine with a core offering of Aprons, Shirts and Chefsweat designed to complement each other, so you can be safe in the knowledge that the styles you choose will work together effortlessly.

The personality of your establishment is reflected in the uniforms that you wear. If you have an eco-friendly ethos at the heart of your business, we have a choice of sustainable bib aprons that can help tell your story. Maybe you have a vintage vibe and need some classic denim shades to reinforce your look?

Taking inspiration from the latest 'industrial chic' interiors, we've designed our aprons with buckles, rivets, and oversized eyelets for a rustic style to service.

Once you've chosen your aprons, look to our check shirts for the complete authentic artisan look. Made from 100% cotton for absolute comfort, these shirts are available in two patterns, in up to eight colourways.

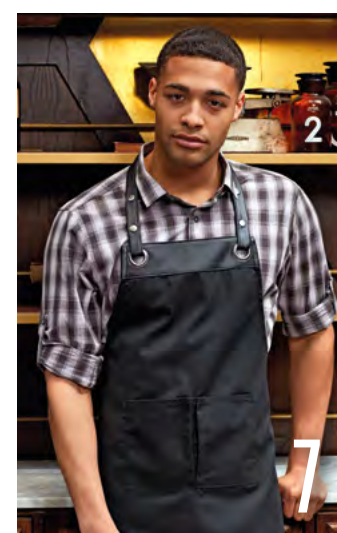

Our menu of chefswear sees classic whites mixed up with some vintage denims so you can reflect that front-of-house vibe right through to the kitchen.
