PORT AUTHORITY®

Carbon neutral styles to lower your impact.

INTRODUCING

C-FREE™

Port Authority® C-FREE™ carbon neutral polos and 1/4-zip not only feel good, they do good

With C-FREE, we measured the carbon footprint of these styles and we're neutralizing their impact with Carbon*free*® certification. By purchasing carbon offsets, we are removing an equivalent amount of emissions elsewhere in the environment. Offsets are generated by third-party, verified renewable energy, energy efficiency or forestry carbon offset projects.

Carbon*free*® certification: Reduce what you can, offset what you can't™

The Carbon*free*® Product Certification is a meaningful, transparent way for you to enjoy environmentally-responsible, carbon neutral products. With C-FREE's Carbon*free*® certification, you can buy with confidence—knowing this apparel has had its carbon footprint determined and associated carbon emissions offset with reduction projects. C-FREE apparel has a focus on preserving the natural world.

Lower carbon footprint, not lower performance

Made from recycled polyester, our C-FREE styles are also snag-proof and moisture-wicking, so you can make a bigger impact in your office or workplace while making a smaller environmental impact.
