WELCOME TO COLORTONE!

What started in a small home garage in **1988**, has evolved into the worlds leading wholesale tie-dye supplier.

Colortone, now located at our state-of-the-art **155,000 sq ft** facility, houses several million items in inventory.

Offering over **100** color combinations, **dozens** of product options, and extended sizing, we can add color to **anyones** life.

We take pride in delivering both **quality and quantities** to meet all our buyers needs.

Our first **priority** is customer **satisfaction**, so we ensure that our customers receive their products on time. With our commitment to a quick turnaround, we strive to ship most orders the **same day** they are placed.

Our efficient processes and dedicated team work tirelessly to meet delivery timelines, ensuring a seamless and prompt experience for every order.

Each tie-dye shirt is meticulously hand-dyed, guaranteeing that no two items are ever alike. We invite you to enjoy each piece for its own individuality.
