FIND THE RIGHT OUTERWEAR WITH CONFIDENCE

The **2026 Outerwear Guide** streamlines how you shop, compare, and select outerwear across climates, markets, and use cases. Start with the **Market Map** for **clear use cases** and **core customer segments** to quickly identify the right styles for each customer and environment. You'll also find easy-to-use comparison tools outlining protection levels, insulation, and key features, making it easier to plan assortments and choose **the right outerwear every time**.

OUTERWEAR GUIDE KEY TOOLS

- ✓ **Market Map** outlining core customer segments and use cases
- ✓ **Good / Better / Best** comparison charts
- ✓ **Imprint Sizing Guide** for accurate decoration placement
- ✓ **Decoration Techniques & Inspiration** to support consistent branding

adidas A268 in Black, Gildan 2000L in White, and YP Classics 6245CM in White.

TABLE OF CONTENTS

12 **RAIN & WIND**

Windbreakers, Anoraks, Rain Jackets

20 **FLEECE & SOFTSHELL**

Fleece Vests, Fleece Jackets, Softshell Jackets

28 **PUFFERS & INSULATED**

Puffer Vests, Puffer Jackets, 3-in-1 Jackets

36 **WORKWEAR**

Jackets Without Hoods, Hooded Jackets, Hi-Vis Jackets

Weatherproof 26714 in Grape Leaf.

OUTERWEAR BUILT WITH FUNCTION IN MIND

Meet the **Market Map**—a practical guide to navigating the outerwear category, organized around **clear use cases** and **core customer segments**. Designed with customer needs at the center, it creates a shared framework that supports smarter buying decisions and easier conversations. The map highlights where each outerwear style performs best, helping you build focused assortments and serve every market with confidence.

BRAND SPOTLIGHT

BRAND DNA

Columbia Sportswear connects active people with their passions by creating innovative gear that helps them stay outside longer. Built in the Pacific Northwest and “Tested Tough” since 1938, the brand engineers products designed to keep people comfortable, protected, and ready for whatever nature throws their way.

WHY COLUMBIA?

Purpose-Built Innovation - Columbia creates durable, functional gear powered by proprietary technologies to keep people warm, dry, cool, and protected in real conditions.

Tested Tough Heritage - Rooted in a Portland-born family legacy, Columbia’s products are inspired by decades of real-world testing and a relentless drive to make gear better.

Outdoors for Everyone - Columbia is driven to help more people get outside—designing accessible, high-value products that enable anyone to enjoy and thrive in the outdoors.

BRAND SPOTLIGHT

NORTH END.

BRAND DNA

North End offers apparel that blends technical functionality with a professional edge, designed to support branded programs and everyday wear. Clean styling and eco-conscious materials come together to create versatile pieces known for balancing function with presentation. The result is a dependable collection suited for consistent outfitting.

WHY NORTH END?

Polished Performance – Technical fabrics and performance features are paired with refined styling to maintain a professional appearance throughout the workday.

Coordinated Outfitting – North End's styles align across outerwear, knits, and layers to support streamlined outfitting across programs.

Forward-Thinking Design – Innovative fabrics and eco-conscious design approaches improve wearability while reflecting a more thoughtful approach to apparel.

BRAND SPOTLIGHT

BRAND DNA

Created for coordinated outfitting, **CORE365** delivers performance-driven professional apparel at accessible price points. The brand focuses on consistent construction, companion styling, and cohesive color stories across categories. Known for combining durability and wearability, CORE365 supports programs that depend on reliable, long-term consistency.

WHY CORE365?

Accessible Value – CORE365 combines performance features and accessible pricing, helping programs maintain consistency without increasing cost.

Unified Color & Fit – Coordinated styles across categories share consistent colors, fabrics, and design details for easy, consistent outfitting.

Designed for Repeat Wear – Construction and fabric quality help garments retain their shape, color, and overall appearance over time.

BRAND SPOTLIGHT

BRAND DNA

Built for workplace outfitting, **Harriton** offers durable apparel tailored for everyday jobsite environments. Practical fabric technologies and easy-care construction help styles maintain a professional look through tough use, while durability and value support consistent outfitting.

WHY HARRITON?

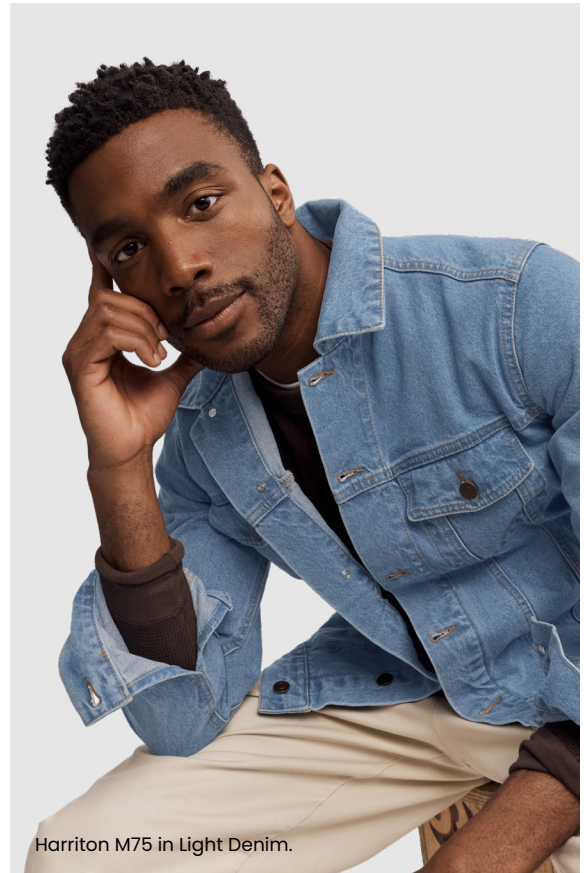

Duty-Ready Construction - Functional features like stain-release finishes, snag protection, and reinforced construction support reliable wear in active work environments.

Engineered for Tough Use - Technologies like ClimaBloc® weather resistance and Easy Blend™ fabrics help maintain performance and appearance through frequent wear and industrial laundering.

Workwear-Ready Essentials - From durable wovens to weather-resistant outerwear and fleece, Harriton supports practical outfitting built for real jobsite demands.
